Idemnity/Hold Harmless Agreement

Lessee shall indemnify and hold lessor harmless for all claims and /or lawsuits including those for property damage or personal injury (including death) arising from the use of the equipment and/or alleged negligence of the lessor. The specific consideration given lessor for lessee's agreement to indemnify lessor hereunder is the lower standard price at which equipment is rented. The parties agree and understand that if lessee did not agree to indemnify lessor as set forth in this agreement, then the equipment would be rented to lessee only at a higher specially negotiated price. This agreement shall be deemed a part of the project specifications or bid documents, if any, applicable to the work for which the equipment is rented.
